

The Bourbon Ball Bash was created to celebrate the art of fine spirits while providing attendees with a unique opportunity to explore the bourbon world, watch basketball games simultaneously, and give back to the community.

Event Benefactors

Help Us Support These Two Amazing Charities By Participating In Our Event.

Autism Connections was founded in 1971 by local parents and professionals who wanted to raise autism awareness and acceptance. Today, Autism Connections envisions a world where autistic individuals and their families are supported, treated with equity, and valued, with a mission to uplift the Southwest Ohio autism community through education, resources, connections, and lifelong support. They offer a variety of support groups, social activities, social skills classes, educational seminars, and training. They also run the region's largest Autism Helpline, an information and referral call and email response service open to families, individuals, and the entire community that is prepared to answer any question about autism. Learn more at www.autismcincy.org.

Behind the Badge is a community-based non-profit organization serving Greater Cincinnati/Northern Kentucky. They work to increase awareness and raise funds for local charities, emerging non-profits, and our hometown first responders & military facing difficult life challenges. Learn more about how they support our community by visiting their website at <https://www.btbtky.org/>.

Event Information

The Bourbon Ball Bash is designed to bring together bourbon enthusiasts and basketball fans to enjoy watching the games and immerse into the world of bourbon. There will be activities to keep everyone engaged throughout the day. Join us on March 22, 2024, at Receptions Event Centers Erlanger from 12:00 PM until 10:00 PM.

The event provides an ideal platform for your company to highlight your products for 4-hours, engage with a target audience, and expand your customer base. We hope you consider becoming a vendor for this two-day event.

Our event's goal is to enjoy spirits and games and give back to the community. Our team has chosen two outstanding charities for this event: **Autism Connections and Behind The Badge Inc.** We are proud to partner with two powerhouse organizations that provide support and resources to families along the spectrum and hometown first responders & military facing difficult life challenges. Proceeds from this event will be shared with both benefactors.

You will receive a dedicated booth to display your business and interact with customers. This will allow attendees to learn about your brand and explore the unique characteristics of your products.

You can engage attendees through indirect sales during the event to help boost your sales. If you are a distributor, what a perfect opportunity to host a private tasting session exclusively for our VIP guests or selected attendees. You are offering an intimate and memorable experience for individuals during the event.
